Louisiana Board of Ethics,

My name is Phlesher Mingo and I am applying to become an owner of a new driving school. I received the enclosed letter stating that I need clarification from the Board of Ethics to determine if I qualify to be an owner of a driving school in Louisiana. I am currently employed with Bogalusa City Schools as Supervisor of Child Welfare and Attendance. I will be retiring within the next few years and looking forward to owning my own business. I was the transportation supervisor for a few years until my job duties were divided. My understanding is the training unit does not want my present job and the driving school to cause a conflict of interest. I am not a classroom teacher and I only assign students to the alternative school when necessary.

I asking the board for a clearance letter so I can move forward with my application. If you have any questions you can reach me @ (985) 750-4743 or email me at P.mingo@bogschools.org.

Thanking you in advance,

Phlesher Mingo
